

INDEX TO VOLUME 145

A

Amnion, Blunt Trauma to, 699
 Angiomas, Mammary, and Chronic Cystic Mastitis, Endocrine Correlations in, 326
 Anoma, Parathyroid, 279
 Anopathy, Isolated Axillary, 104
 Anterior Cortex, Autoimplantation of, in the Palliative Management of Metastatic Carcinoma of the Prostate, 199
 Anorectomy, Metabolic Response to, 1
 Adrenaline and Noradrenaline, Urinary Output of, in Severe Thermal Burns, 479
 Atherosclerosis, Resection and, in Diverticulitis of the Colon, 683
 Aneurysm, Arterial, with Clinical Manifestations of an Acute Process, 893
 Aneurysm of the Common Carotid Artery, Excision and Primary Anastomosis, 254
 Rectal Carcinomas of Extra-Mucosal Origin, 344
 Anhidrosis, Maintenance of Homeostasis During, in Metabolism of Trauma, 12
 Aorta, Ascending, A Technic for Insertion of a Flexible Aortic Valve Prosthesis into, an Experimental Study, 388
 Aortic Grafts, Heterologous, 187
 Appendicitis, Acute, in a Rural Community, Twenty-Five-Year Summary, 552
 Arterial Embolism, 145
 Arterial Pressures Below 30 mm. Hg in Renal Failure, 41
 Arteriosclerotic Occlusion of the Superficial Femoral Artery, Dacron® Grafts in Treatment of, 59
 Arteriovenous Fistula, Congenital, Involving Both Ischioanal Fossae, 115
 Atresia, Congenital, of the Esophagus, 580
 Aneurysm, Repair of the Torn, A Maneuver for Control of Hemorrhage During, 404
 Axillary Adenopathy, Isolated, Surgical Significance of, 104

B

Barium Enema, Rupture of the Colon in Infants During, 712
 Benign Tumor of the Common Bile Duct, 271
 Broth I Gastric Resection, Twenty-Five Years' Experience with, 758
 Bleeding, Abnormal, Association of Thrombocytosis with, 238
 Bleeding Peptic Ulcer, Management of, 162
 Bleeding, Significance of, in Diverticulitis of the Sigmoid Colon, 540
 Blood Flow, The Rate of Disappearance of Intradermally Injected Radiosodium as an Index of, in Normal and Chronically Ulcerated Legs, 630
 Bronchiectasis: A Fourteen Year Appraisal, 644
 Bronchopneumonia, Fulminating Postoperative Staphylococcal, 133
 Burned Patients, Fatal Pseudomonas Septicemias in, 175
 Burns, Mortality of, 210
 Burns, Severe Thermal, Urinary Output of Adrenaline and Noradrenaline in, 479

C

Carcinoma of the Breast, Simple Mastectomy for, 807
 Cancer of the Lung, 583
 Cancer of the Lung, Factors Which Influence the Long Term Survival of Patients with, 637
 Carcinoma, Metastatic, of the Prostate, Palliative Management of, 199
 Carcinoma of the Breast, Operability Rate, 207
 Carcinoma of the Breast, Some Anatomic and Endocrine Considerations, Results of Surgical Treatment, 799
 Carcinoma of the Gall Bladder, 832
 Carcinoma of the Maxillary Sinus, 68
 Carcinoma of the Pancreas in an Infant, Pancreato-Duodenectomy, 864
 Carcinoma of the Stomach: A Study of 18 Five Year Survivors, 726
 Carcinoma of the Thyroid, Papillary, Fallacy of Conventional Radical Neck Dissection for, 317
 Carcinoma, Treatment of, in Situ of the Lower Lip, 74
 Carcinomas, Anorectal, of Extra-Mucosal Origin, 344
 Cerebral Gas Embolism, Experimental, 461
 Cerebrospinal Rhinorrhea, Chronic and Delayed Traumatic as a Source of Recurrent Attacks of Meningitis, 517
 Cervical Regions, Analysis of Sympathetic Trunk and Rami in, 94
 Colecystectomy and Diabetes Mellitus, 371
 Colecystectomy, Cholecholestomy, Relative Hazards of, 234
 Culation, Temporary Extra-Corporeal, in Surgical Treatment of Cardiac and Aortic Lesions, 898

Clostridial Infection of the Scalp, 123
 Colon, Diverticulitis of, Resection and Primary Anastomosis in, 683
 Colon, Sigmoid, Significance of Bleeding in Diverticulitis of, 540
 Colotomy, Colonoscopy, and Colectomy in the Management of Polyps of the Large Intestine, 689
 Common Bile Duct, Benign Tumor of, 271
 Common Bile Duct, Diverticulum of, 269
 Common Bile Duct, Primary Closure Following its Exploration, 153
 Common Carotid Artery Aneurysm of, Treated by Excision and Primary Anastomosis, 254
 Congenital Arteriovenous Fistula Involving Both Ischioanal Fossae, 115
 Congenital Atresia of the Esophagus with Tracheo-esophageal Fistula and Duodenal Atresia, 580
 Congenital Cysts of the Mesentery, Report of Four Cases, 428
 Congenital True Esophageal Diverticulum, 258
 Coronary Artery Disease, Physiologic Concepts, Surgical Operation, 439
 Cortical Hyperostosis, Infantile, 573
 Cyst, Enterogenous, of the Duodenum, 265
 Cyst, Mucous, of Mid Posterior Vaginal Wall, Gärtner Duct-Type, Complicated by Rectovaginal Septum Abscess, 423
 Cysts, Congenital, of the Mesentery, Report of Four Cases, 428
 Cysts, Unattached, in the Peritoneal Cavity, 138

D

Dacron® Grafts in Treatment of Arteriosclerotic Occlusion of the Superficial Femoral Artery, 59
 Diabetes Mellitus and Cholecystectomy, 371
 Diverticulitis of the Colon, Resection and Primary Anastomosis in, 683
 Diverticulitis of the Sigmoid Colon, Significance of Bleeding in, 540
 Diverticulum of the Common Bile Duct, 269
 Donor Sites, Healing of, 169
 Dumping Syndrome, Comparative Evaluation of, after Partial Gastrectomy and after Vagotomy with Gastro-enterostomy, 182
 Duodenal Polyps, Oral Pigmentation and Obstructive Pancreatitis, 595
 Duodenal Ulcer, Five-to-Ten-Year Follow Up of 162 Cases of, with and without Associated Gastric Operations, 753
 Duodenal Ulcer; Treatment by Vagotomy and Removal of the Gastric Antrum, 738
 Duodenum, Enterogenous Cyst of, 265

E

Ectasia of Neck Veins, 568
 Ectopic Splenic Tissue Resembling a Third Testicle, An Unusual Case of, 960
 Education, Medical, The Responsibility of the Medical Profession to, 599
 Electrolytes, Excretion of, in Dog and Man During Hypothermia, 26
 Embolism, Arterial, 145
 Embolism, Experimental Cerebral Gas, 461
 Endocrine and Anatomic Considerations in Carcinoma of the Breast, 799
 Endocrine Correlations in Mammary Adenofibrosis and Chronic Cystic Mastitis, 326
 Enterogenous Cyst of the Duodenum, 265
 Esophageal Complications of Tympanic Origin, 993
 Esophageal Diverticulum, Congenital True, 258
 Esophageal Reconstruction, Experiences with Tubed Pedicle Grafts in, 979
 Esophagus, Congenital Atresia of, 580
 Esophagus, Intramural Duplication of, 395
 Esophagus, Spontaneous Rupture of, 1001
 Ethylene Oxide Freeze-dry Preparation in Heterologous Aortic Grafts, 187
 Excretion of Water and Electrolytes During Hypothermia, 26
 Experimental Cerebral Gas Embolism, 461
 Experimental Chronic Mitral Insufficiency, The Production of, 800
 Experimental Hemorrhagic Shock, Therapeutic Effect of Hypothermia in, 311

F

Fibroleiomyoma of the Lung, 128
 Fistula, Ileocolic, of Appendiceal Origin, 275
 Fistulas, Gastrojejunal and Gastrocolic, 770
 Furacin® Soluble Dressing in Healing of Donor Sites, 169

G

- Gall Bladder, Carcinoma of the, 832
 Gall Bladder, Perforations of the, 813
 Gallstones in Young Women, 813
 Gallstones Without Clinical Symptoms, 143
 Ganglion, First Thoracic, Functional Significance of, in Sympathectomy of the Upper Extremity in Man, 530
 Gastrectomy, Partial, A Comparative Evaluation of the Dumping Syndrome after, with Vagotomy and Gastro-enterostomy, 182
 Gastrectomy, Total, with Reference to Chronic Hypokaliemia, 81
 Gastrectomy, Weight Changes after, Comparison of, with Vagotomy with Gastro-enterostomy, 223
 Gastric Resection, Billroth I, Twenty-Five Years' Experience with, 758
 Gastric Trichobezoar, Case Report, 282
 Gastritis, Phlegmonous, 88
 Gastro-enterostomy, Weight Changes after, Comparison of, with Gastrectomy, 223
 Gastro-intestinal Hemorrhage, Upper, of Obscure Origin, 789
 Gastro-intestinal Tract, Plasmocytoma of, 415
 Gastrojejunocolic and Gastrocolic Fistulas, 770
 Goiter, Nodular, The Significance of Recurrent, 966
 Goiter, Suffocative in the Newborn, 108
 Grafting, Vascular, Experiences in, 943
 Grafts, Dacron®, in Treatment of Occlusion of the Superficial Femoral Artery, 59
 Grafts, Tubed Pedicle, in Esophageal Reconstruction, Experiences with, 979

H

- Hand Surgery, Cross-Finger Pedicle Flaps in, 650
 Hematoma, Subungual, 287
 Hemobilia, Ligation of Right Hepatic Artery in, 244
 Hemodynamics, Renal, Effect of Hypothermia on, 26
 Hemorrhage, Maneuver for Control of, During Repair of the Torn Atrium, 404
 Hemorrhage, Massive, from Peptic Ulcer: the Changing Therapy Over a 28 Year Period, 783
 Hemorrhage, Upper Gastro-intestinal, of Obscure Origin, 789
 Hemorrhagic Shock, Experimental, Therapeutic Effect of Hypothermia in, 311
 Hepatic Artery, Right, Ligation of, in Hemobilia, 244
 Hepatocellular Disease, Severe, Rationale of Surgery Under Hypothermia in Certain Patients with, 289
 Heterologous Aortic Grafts, Recipient Site, 187
 Homeostasis, Maintenance of, During Antidiuresis in Trauma, 12
 Hyperostosis, Infantile Cortical, 573
 Hyperparathyroidism and Pancreatitis, 857
 Hypokaliemia, Chronic, in Total Gastrectomy, 81
 Hypothermia, Alterations in Renal Function During, 488
 Hypothermia, Effect on Renal Hemodynamics, Excretion of Water and Electrolytes in Dog and Man, 26
 Hypothermia, Rationale of Surgery Under, in Certain Patients with Severe Hepatocellular Disease, 289
 Hypothermia, Therapeutic Effect of, in Experimental Hemorrhagic Shock, 311
 Hypothermia, Use of, in General Pediatric Surgery, 304

I

- Ileocolic Fistula of Appendiceal Origin, 275
 Ileus, Meconium, Management of, Resection, Roux-en-Y Anastomosis and Ileostomy Irrigation with Pancreatic Enzymes, 410
 Ilio-inguinal Lymph Node Dissection, Radical, A New Technic for, 873
 Implants, Arterial, into the Ventricular Myocardium, An Experimental Study of the Fate of, 927
 Intestine, Small, Malignancies of, 665
 Intrathoracic Accessory Lobe of the Liver, 564
 Ischioanal Fossae, Involvement in Congenital Arteriovenous Fistula, 115

L

- Lavage, Peritoneal, The Treatment of Peritonitis Using, 675
 Leukoplakia and Carcinoma in Situ of the Lower Lip, 74
 Ligation of the Right Hepatic Artery in Hemobilia, 244
 Liver, Intrathoracic Accessory Lobe of, 564
 Lumbar Region, Sympathetic Trunks in the, an Analysis of the Cross Communications between, 365
 Lung, Cancer of the, 583
 Lung, Fibroleiomyoma of, 128
 Lymph Node Dissection, A New Technic for Radical Ilio-inguinal, 873

M

- Male Urethra, Complete Duplication of, 119
 Malignancies of the Small Intestine, 665
 Malignant Disease, The Prophylactic Treatment of, 624
 Mammary Adenofibrosis and Chronic Cystic Mastitis, Endocrine Correlations in, 326
 Mastectomy, Simple, for Cancer of the Breast, 807
 Maxillary Sinus, Carcinoma of, 68
 Meconium Ileus, Management of, Resection, Roux-en-Y Anastomosis and Ileostomy Irrigation with Pancreatic Enzymes, 410
 Medical Education, The Responsibility of the Medical Profession to, 599
 Megarectum, 249
 Melanoma, Malignant, Management of, 888
 Meningitis, Chronic and Delayed Traumatic Cerebrospinal Rhinorrhea as a Source of Recurrent Attacks, 517
 Mesentery, Congenital Cysts of, Report of Four Cases, 428
 Metabolism in Trauma, Homeostasis During Antidiuresis, 12
 Metabolism, Response to Adrenalectomy, 1
 Metastatic Carcinoma of the Prostate, Autoimplantation of the Adrenal Cortex into the Portal Circulation in the Palliative Management of, 199
 Mitral Insufficiency, Chronic, The Production of Experimental, 500
 Mitral Valvulotomy, Technic with Particular Reference to the Use of a Thimble Valvulotome, 557
 Myocardium, Ventricular, An Experimental Study of the Fate of Arterial Implants into, 927
 Myxoma of the Heart, Intracavitary, Diagnosis and Treatment of, 915

N

- Neck Dissection, Conventional Radical, for Papillary Carcinoma of the Thyroid, Fallacy of, 317
 Neck Veins, Ectasia of, 568
 Nitrogen Mustard, The Prophylactic Treatment of Malignant Disease with, 624

O

- Occlusion, Arteriosclerotic, of the Superficial Femoral Artery, 59
 Occlusion, Controlled, in Larger Blood Vessels, A Method for, 334
 Occlusions, Sudden, of Popliteal Artery, Operative Treatment of, 544
 Operability Rate of Carcinoma of the Breast, 207
 Oral Pigmentation, Duodenal Polyps and Obstructive Pancreatitis, 595

P

- Pancreatic Disease, Some Complications of, 848
 Pancreato-Duodenectomy for Carcinoma of the Pancreas in an Infant, 864
 Pancreatitis and Hyperparathyroidism, 857
 Pancreatitis, Obstructive, Oral Pigmentation and Duodenal Polyps, 595
 Papillary Carcinoma of the Thyroid, Fallacy of Conventional Radical Neck Dissection for, 317
 Parathyroid Adenoma, 279
 Pathogenesis, Studies on, in Postgastrectomy Syndrome, 471
 Pediatric Surgery, General, Use of Hypothermia in, 304
 Pedicle Flap, Cross-Finger in Hand Surgery, 650
 Penoscrotal Skin Losses, Repaired by Implantation and Free Skin Grafting: Report of Known Normal Offspring, 658
 Peptic Ulcer, Management of Bleeding, 162
 Peptic Ulcer, Massive Hemorrhage from: the Changing Therapy Over a 28 Year Period, 783
 Peritoneal Cavity, Unattached Cysts in, 138
 Peritoneal Lavage, The Treatment of Peritonitis Using, 675
 Phlegmonous Gastritis, 88
 Physiologic Concepts, Coronary Artery Disease, 439
 Pigmentation, Oral, Duodenal Polyps and Obstructive Pancreatitis, 595
 Plasmacytoma of the Gastro-intestinal Tract, 415
 Pneumoperitoneum, Post-operative, Studies on Incidence and Duration of, 591
 Polyps, Duodenal, Oral Pigmentation and Obstructive Pancreatitis, 595
 Polyps of the Large Intestine, Colotomy, Colonoscopy, and Colectomy in the Management of, 689
 Polyvinyl Sponge in Experimental Surgery, 509
 Popliteal Artery, Operative Treatment of Sudden Occlusion of, 544
 Prostate, Metastatic Carcinoma of, Palliative Management, 199
 Postgastrectomy Syndrome, Studies on Pathogenesis, 471
 Postoperative Fulminating Staphylococcal Bronchopneumonia, 133

Primary Closure of the Common Bile Duct Following its Exploration, 153
 Procidencia of the Uterus, 963
 Prophylactic Treatment of Malignant Disease with Nitrogen Mustard and Triethylenethiophosphoramide, 624
 Prosthesis, Flexible Aortic Valve, A Technic for Insertion of, into the Ascending Aorta, an Experimental Study, 388
 Pseudomonas Septicemias, Fatal, in Burned Patients, 175
 Pulmonary Venous Drainage, Total Anomalous, Surgical Treatment of, 379
 Pulseless Disease, Case Report, 230

R

Radiosodium, The Rate of Disappearance of, Intradermally Injected as an Index of Blood Flow in Normal and Chronically Ulcerated Legs, 630
 Rami, Analysis of Sympathetic Trunk and, in Cervical and Upper Thoracic Regions in Man, 94
 Renal Failure, Effect of Complete Renal Artery Occlusion Compared to Exposure to Subfiltration Arterial Pressures Below 30 mm. Hg for Periods of Time, 41
 Renal Function, Alterations in, During Hypothermia in Man, 488
 Renal Hemodynamics, Effect of Hypothermia on, 26
 Rupture of the Colon in Infants During Barium Enema: Report of Two Cases, 712

S

Scalp, Clostridial Infection of, 123
 Shock, Experimental Hemorrhagic, Therapeutic Effect of Hypothermia in, 311
 Shunt, Left Ventricular-Right Atrial, Successful Closure of, 392
 "Siamese" Twins, Surgery in: A Report of Three Sets of Conjoined Twins Treated Surgically, 718
 Sinus, Maxillary, Carcinoma of, 68
 Staphylococcal Bronchopneumonia, Fulminating Postoperative, 133
 Stomach, Carcinoma of: A Study of 18 Five Year Survivors, 726
 Subungual Hematoma, 287
 Suffocative Goiter in the Newborn, 108
 Surgery, Experimental, Polyvinyl Sponge in, 509
 Surgery, General Pediatric, Use of Hypothermia in, 304
 Surgery, Significance of Isolated Axillary Adenopathy, 104
 Surgery Under Hypothermia, Rationale of, in Certain Patients with Severe Hepatocellular Disease, 289
 Surgical Operation, Coronary Artery Disease, Physiologic Concepts, 439
 Surgical Treatment, Results in Carcinoma of the Breast, 799
 Sympathectomy of the Upper Extremity in Man, Functional Significance of the First Thoracic Ganglion in, 530
 Sympathetic Segments, The Identification of, 355
 Sympathetic Trunk and Rami, Analysis of, in the Cervical and Upper Thoracic Regions in Man, 94

Sympathetic Trunks in the Lumbar Region in Man, An Analysis of the Cross Communications between, 365

T

Thoracic Ganglion, First, Functional Significance of, in Sympathectomy of the Upper Extremity in Man, 530
 Thoracic Regions, Upper, Analysis of Sympathetic Trunk and Rami in, 94
 Thrombocytosis, Occurrence and Association with Abnormal Bleeding, 238
 Total Anomalous Pulmonary Venous Drainage, Surgical Treatment of, 379
 Tracheotomy, Indications for, 974
 Trauma, Blunt, to the Abdomen, 699
 Trauma, Metabolism of, Homeostasis During Antidiuresis, 12
 Trichobezoar, Gastric, Complicated by Multiple Polyps and Malignant Degeneration, 282
 Triethylenethiophosphoramide, The Prophylactic Treatment of Malignant Disease with Nitrogen Mustard and, 624
 Tumor, Benign, of the Common Bile Duct, 271

U

Ulcer, Duodenal, Five-to-Ten-Year Follow Up of 162 Cases of, with and without Associated Gastric Operations, 753
 Ulcer, Duodenal, Treatment by Vagotomy and Removal of the Gastric Antrum, 738
 Ulcer, Peptic, Management of Bleeding, 162
 Ulcer, Peptic, Massive Hemorrhage from: the Changing Therapy Over a 28 Year Period, 783
 Ulcerated Legs, Normal and Chronic, The Rate of Disappearance of Intradermally Injected Radiosodium as an Index of Blood Flow in, 630
 Urethra, Duplication of the Male, 119
 Urinary Output of Adrenaline and Noradrenaline in Severe Thermal Burns, 479

V

Vaginal Wall, Mucous Cyst of Mid Posterior, Gärtner Duct-Type, Complicated by Rectovaginal Septum Abscess, 423
 Vagotomy with Gastro-enterostomy, A Comparative Evaluation of the Dumping Syndrome after, with Partial Gastrectomy, 182
 Vagotomy with Gastro-enterostomy, Weight Changes after, 223
 Valvulotomy, Mitral Technic with Particular Reference to the Use of a Thimble Valvulotome, 557

W

Water, Excretion of, During Hypothermia, 26
 Weight, Changes in, after Partial Gastrectomy and after Vagotomy with Gastro-enterostomy, 223
